

Declaration for Nordmounts Clamps Compatibility

To Whom It May Concern

Thanks for choosing DMEGC.

As for the installation requirements between the DMEGC modules and Nordmounts Clamps (shown as figure 1), DMEGC confirms that:

DMEGC standard modules are compatible with Nordmounts Clamps (shown as figure 1)

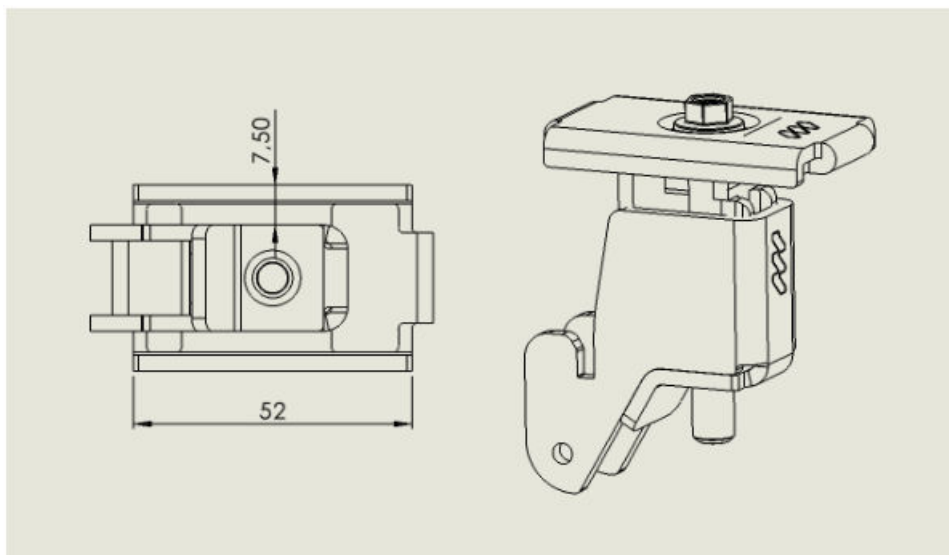

Figure 1: Nordmounts Clamps

Nordmounts Clamps (shown as figure 1) does not violate the product warranty of DMEGC's single and double glass framed modules if it meets the clamping zone and corresponding load capacities in DMEGC's installation manual.
